About Me

I'm Shoriful Islam, a Frontend Developer with good knowledge in html5, css3, sass, less, javascript, jquery, Wordpress (Basic), Photoshop and Figma. Currently I'm working with Themexe and willing to work remotely for a great company like you.

My best chances in this company is that I'm going to take new challenges and learn exciting things as I'm a fast learner. I hope I will do my best with my expertise and will become a perfect guy with your greatness and kindness.
